

Details of Lavender varieties available for 2006

Unusual varieties

The following unusual varieties flower most of the year. They can be kept outside in the Summer months and make good conservatory plants in the Winter. Most are not frost-hardy. All look superb in a pot!

dentata f. rosea* Fine lime green leaves, with rose pink unusual flowers

dentata 'Ploughmans Blue'* Lime green, tooth leaves, unique powder blue-violet-white heads, a beauty.

dentata var candicans Superb! Grey version of dentata.

dentata 'Linda Ligon' A lime variegated dentata, refreshing

canariensis Fine lacy lime foliage, sapphire-blue flowers. From the Canary Islands.

Pinnata Silver-green lacy foliage with blue flowers. Grows wild on Lanzarote.

Pinnata (Pink Form)- * A rare find!

x christiana Hybrid cross of pinnata and canariensis, stunning deep blue flowers

Goodwin Creek Grey Unusual lavender, from America. Velvety silver tooth leaves, with profuse sapphire-blue flowers. A rarity and a must for any collectors! (Hardy to -5° C)

We have many other varieties, subject to availability

**New for the nursery this year. 🏆 Awarded an AGM by the RHS P Plant protected by European/UK Plant Variety Rights. (Illegal to propagate without permission)*

THE LAVENDER GARDEN

Welcome to The Lavender Garden, a traditional nursery, set in a Victorian Kitchen Garden.

We specialise in Lavender and Buddleja, also other Butterfly and Bee attracting plants.

We have landscaped the gardens particularly to attract Wildlife, planting collections so that they can be seen in a more established environment.

In our terracotta pot display, you can see a large collection of Lavenders in bloom, with a vast array of scents and colours.

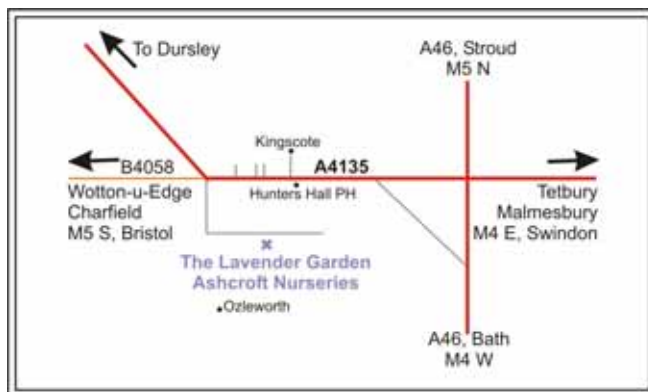

Around the walled garden is a large collection of Buddlejas, which when in full bloom have attracted over 28 species of Butterfly to date.

Our nursery is a Wildlife friendly environment we do not spray any chemical pesticides/insecticides.

We hope that you enjoy your visit to the nursery.

If you would like any help or advice please feel free to ask.

Lavandula angustifolia

Sweetly scented, highly coloured flowers, grey/green foliage, fully hardy. Flowering late May through June/July. Height to 24" unless otherwise stated. (40-60cm)

Little Lady Outstanding variety. Sky blue. Early flowers – blooms twice if trimmed after first flush. (May-September). Butterfly and Bee favourite. **P**

Arctic Snow Highly sought after medium white lavender.

Beechwood Blue ☞ Colour of a bluebell glade, beautiful.

Blue Cushion Lovely bright blue dwarf lavender. 12"

Lady Anne Compact Habit, pale pink flowers. 12" **P**

Miss Muffett ☞ Miniature lavender, tidy and blue. 12" **P**

Ashdown Forest Charming pale violet flowers, compact.

Cedar Blue Cool, quaint, dwarf lavender. Light blue

Hidcote Pink A delicate blush. A pleasing contrast.

Hidcote ☞ Midnight blue, much acclaimed garden favourite. A true winner. 18"

Folgate Unique, long sapphire blue flowers, striking.

Jean Davis Compact pink blooms, excellent for hedging.

Imperial Gem ☞ Deep purple with tidy compact foliage, a highly sought after variety. 18"

Munstead Original & genuine violet blue flowers- this true Munstead is beautiful, beware of imitations!

Melissa Lilac Striking powder lilac flowers. **P**

Royal Purple Stunning long violet flowers, good for dried lavender arranging.

Little Lottie ☞ A pinky-white delicacy. Tiny & compact. 12"

Miss Katherine ☞ Truly scrumptious. Darkest pink of the angustifolia lavenders. **P**

Twinkle Purple Dark purple, prize winner. 18"

Rosea Radiant rose pink flowers over very green leaves.

Nana Alba ☞ Compact tiny white lavender, a real gem. 12"

Lanata x angustifolia

Deep purple flowers on silver foliage. Flowering late June-July, hardy to -10 °C

Richard Gray ☞ Vibrant deep purple flowers over smooth silver foliage, exquisitely different.

Sawyers ☞ Similar to Richard Gray, but with longer and more spear-like flowers.

Lanata (Pure form)* Silver wooly leaves with the darkest lavender purple flowers

Lavandula x intermedia

Often referred to as Lavandin. Broader and larger than the Angustifolia varieties. Large flower heads, grey/green foliage. Strongly scented. Fully Hardy. Flowering late June-July/August.24-36" max.(60-90 cm.)

Grosso The lavender of Provence. Tall spikes of violet-blue flowers. Highly scented. A truly delightful plant. Excellent!

Alba ☞ Striking white blooms. Tall, beautiful Victorian lavender which goes very well with L.x. Intermedia Seal.

Grappenhall Very large mid-blue Edwardian lavender

Old English Group Traditional powder blue, cottage garden favourite.

Lullingstone Castle A spreading giant. Traditional blue lavender, with grey foliage. Impressive.

Grey Hedge Original ice blue/grey flowers. Tidy, well shaped lavender.

Hidcote White Nostalgia in a pot! Captivating bright white lavender. Shines in twilight.

Seal Lovely large lavender, tall violet blue flowers, over green foliage.

Gros Bleu Darkest of the intermedia lavenders.

Fragrant Memories Silver peppermint grey leaves, excellent for hedging, blue flowers.

Hidcote Giant ☞ Large lavandin with grey/green foliage. Distinctive shaped flower heads (mid-blue).

Sussex Magnificent very long flower heads, strong scented compact bush, recommended

Walbertons Silver Edge Variegated variety, powder blue flowers.

stoechas Lavender

Often referred to as French or Mediterranean Lavender. Plump heads with Butterfly-winged bracts. Strongly scented. Can flower all season if deadheaded. Frost hardy to -5 degrees. Best in a sheltered position, ideal in a pot. Lots of different, highly colourful varieties. May require some winter protection.

stoechas ☞ (Pure). From the Mediterranean hillsides, superb

Pedunculata ☞ (*Papillon*) Purple heads with long cerise Butterfly bracts. Superb Stunner. Prize winning variety.

Passione* Exquisite specimen, flamboyant pink flags on rich purple heads

Purple Wings* Free flowering, compact, lilac-purple heads

Sugar Plum New pink and purple variety with white sugar specs, a real delight.

Snowman An all white splendour. Creamy heads form this quintessential variant. Small & compact.

Willowvale ☞ A lilac-purple coloured Stoechas from Australia. Truly stunning.

Helmsdale Sheer brilliance! From New Zealand this stoechas has compact green foliage with deep burgundy/maroon flowers- a real favourite. **P**

Lace Beautiful, new variety, wispy pink over deep blue, looks good in terracotta **P**

Madrid Blue Eye-catching blue heads with white bracts, don't miss this one! **P**

Madrid Purple Long purple-pink bracts **P**

Madrid White Long wispy white bracts **P**

Marshwood Large pink bracts on a damson head, stunning sensation from the other side of the world. **P**

Pretty Polly *Vibrant blue heads, cream flags **P**

Fathead Plump puddings of purple and pink, delightful!

Liberty Purple flowers, short pink flags **P**

Viridis A zaney zest! Yellow flowers over lemon scented lime foliage. Grows wild on Madeira.

Avonview A large, dark- flowering stunner. Purple & pink

Somerset Mist A beautiful variety- blue and rose-beige.

Lusitanica From Portugal. Exceptional! Pink & purple. A rarely seen lavender.

Kew Red A true stunner with pinky/red & white heads. An absolute must for summer! (Needs winter protection)

Rocky Road Pinkish-mauve flags contrast with purple heads, repeat flowers. **P**

Pukehou Broad pale flags on purple flowers, superb eye-catching lavender.

Regal Splendour Dark purple coloured stoechas, excellent

Roxlea Park Elegant pink and violet variety. **P**

Tiara* Large white flags on blue heads, exquisite variety **P**
